Adventures in Poetry

Dr. Seuss Adventures

11. August 5-9

- Summer Adventure! Kick off summer with four days of activities such as summer safety, summer bugs, summer Olympics, and summer water fun. A picnic and water play will round out this start to summer.
- Adventures in Cooking—Experience the joy of cooking while learning culinary skills and meal planning. Learn how to slice, cube, roll, grate, whisk, peel, bake, and decorate! Invite your family for treats that you have designed and prepared!
- ❖ Adventures in Music Join in on the musical fun with singing and movement games from around the world. Learn cultural dances and put on a show for family and friends.
- Adventures in Theater—Participate in improv, comedy, and other theater games to bring theater to life. Wear various costumes and act out mini plays.
- \* Adventures in Science Let goo run through your fingers and make your hair stand on end. Blast a volcano and discover how some animals can walk on water. Goggles and lab coat recommended.
- \* Art Adventures Paint like Picasso or create an abstract like Pollock. Use different materials to create original art. Reduce, reuse and recycle by taking household junk to create items of value and display them at your own art exhibition
- Dinosaur Adventures Dig for dinosaurs and discover how tall the T-Rex stood. Walk in the footprints of these fascinating creatures.
- ❖ Fitness Adventures Work out in style and enjoy sports and games from around the world!
- ❖ Adventures in Space From astronomy to rocket science, this camp is sure to be a BLAST!
- ❖ Adventures in the Ocean Discover unique sea creatures and learn about properties of water through hands-on activities and experiments.
- Tr. Seuss Adventures Dr. Seuss wrote the wackiest books that we've seen where a Fox wears Socks and Eggs are Green. There's Cat in the Hat and Hop on Pop. Come to Seuss camp where the fun won't stop!

## Elementary/Adolescent (ages 6-16) (Minimum enrollment required for off campus excursions)

- \* Summer Culinary Adventures Start summer right with two weeks of games and water activities that set the tone for the next two months. Take excursions to Ethel M and play in dancing fountains.
- Music and Theater Adventures Participate in theater games, improv, and comedy to bring theater to life, using costumes and music. Enjoy an off-campus matinee and then host your own mini musical play during this two-week camp.
- Adventures in Science and Art- Engage in hands-on science and art activities and enjoy trips to explore science and art in our community, visiting the Discovery Museum and an art museum. Create your own science and art exhibit to conclude this camp.
- Archaeology and Ancient Sports Adventure Take a trip back in time to discover dinosaurs and learn about ancient cultures. Play sports and games from those cultures as you explore ancient civilizations. Take a field trip to the Natural History Museum.
- \* Adventure From Seas to Stars—Submerse to the ocean depths and soar to the stars as you discover unique sea creatures and constellations. Trips to the planetarium and aquarium will bring this camp to life.
- Adventures in Poetry Explore poetry and writing as you enjoy books by Dr. Seuss and other creative authors. Create your own poetry and become an author yourself!
